DIY BACON CRUMBLE

Butter is back!
Butter's popularity is spreading. A patented explanation: "Studies show that a diet rich in fat and low in carbs is more effective than low-fat diets for weight loss, possibly in part because of fat's satiating effects," says Steve Triebel, author of The Big Fat Diet Plan. Learn which kind of butter is best for every diet, and how to use it.

WHIPPED
This butter spreads easily, which is why it's so popular...
UNSALTED
