

# off the shelf

There's no need to sacrifice taste if you want to eat healthy food. Try our list of delicious foods below.

**Pamela's**  
Put a twist on simple s'mores this summer with these new gluten-free Graham Crackers. A perfect combination of sweet, soft, and crunchy!  
// [pamelasproducts.com](http://pamelasproducts.com)

**Choice Organic Teas**  
Expecting a baby? Try the flavorful and functional Expecting Baby tea, specially formulated with a raspberry leaf blend by a master herbalist at Bastyr University. // [choiceorganict teas.com](http://choiceorganict teas.com)

**Nature's Bakery**  
Guaranteed to be your favorite on-the-go snack, Gluten Free Fig Bars feature ancient grains to help curb hunger during work time, gym time, or any time! // [naturesbakery.com](http://naturesbakery.com)

**Paleo Passion Pops**  
We love the Strawberry Passion flavor, which features flax seeds for a tasty and refreshing treat that the whole family will enjoy on a hot day. Gluten-, dairy-, and guilt-free. // [paleopassionfoods.com](http://paleopassionfoods.com)

**Gaia Herbs**  
Turmeric supports the body from head to toe; add this potent spice to smoothies, yogurt, and more with TurmericBoost Uplift. // [gaiaherbs.com](http://gaiaherbs.com)

**Seven Sundays**  
Short for Minnesota, "Minne" Muesli Cups are a perfect breakfast to get you going and fill you up. Plus, they're super versatile: hot or cold, with yogurt or fruit, for the whole family. // [sevensundays.com](http://sevensundays.com)

**Vertical Water**  
Maple water has never tasted so good—it's not only refreshing and crisp on the tongue, but each sip supports the conservation of American forestland. // [verticalwater.com](http://verticalwater.com)

**Nate's**  
Sweet Potato Mediterranean Bites by Nate's are a fun falafel snack with a twist. Non-GMO Project verified and gluten-free, cook them in the oven, microwave, or simply thaw and start munching!

**SunRidge Farms**  
When you need staying power—on a hike, in the car, at your desk—try Almond Cranberry Power Chews, a chewy treat with healthy ingredients to boost the body! // [sunridgefarms.com](http://sunridgefarms.com)

**Tastefully Simple**  
Sweet, light, and tangy, Blueberry Acai Vinaigrette is a limited edition dressing—so try it now! Available through September 7th. // [tastefullysimple.com](http://tastefullysimple.com)

**Balance Bites**  
Crunchy and portable, Bites go great with yogurt, oatmeal, or by the handful. Non-GMO, gluten-free, and packed with protein. // [balance.com](http://balance.com)

**Alter Eco**  
Royal Rainbow Quinoa is bright, festive, and chock full of nutrition—1 cup quinoa + 2 cups water = 4 servings, so you can enjoy it in creative ways all week long. // [alterecofoods.com](http://alterecofoods.com)
