

AFTER-SCHOOL SUSTENANCE

● **Annie's Cookie Bites Chocolate Chip:** A staffer shared them with her nephews, who proceeded to devour them. Made with organic wheat, non-GMO. ● **Bare Show Me the Honey Crunchy Coconut Chips:** These baked chips are gluten free, Non-GMO Project verified, and have great, crunchy flavor. ● **Crunchmaster Multi-Grain Crackers, Sea Salt** flavor, are light tasting but satisfying and very crunchy. ● **Endangered Species Natural Almond Spread with Cocoa** can top fruit, toast, even cookies for a decadent but good-for-them after-school treat. ● **Enjoy Life Plentils Sea Salt** are crunchy, lively, and simple. They come in several flavors adults might like too. ● **Maison LeGrand pasta sauces** make busy school night dinners quick and easy. Boil some pasta, pour on the sauce, and . . . BAM! Dinner is done. (A staff favorite.)

COLLEGE CARE PACKAGE

● **Alter Eco Salted Caramel Truffles** are absolutely decadent, but can be eaten without guilt since they're made with flavonoid-rich dark chocolate by an environmentally conscious company. ● **Earth Science Clarifying Facial Wash** is silky going on and leaves the face feeling fresh and clean. ● **Eco Lips Mongo Kiss Peppermint:** Keeps lips moist even when you're out in the sun, with no waxy feeling. Fair Trade and organic. ● **Gluten Free Bar Dark Chocolate Coconut Bites** taste fantastic, and with lots of vegan protein they're also filling, even though they're bite-sized. ● **Sambazon Organic Strawberry + Lemon + Açai Berry Juice** has a pleasant, sophisticated taste but is only 70 calories.
